PROFILE

Computer Science student skilled in MERN stack development, backend systems, REST APIs, and data structures, with hands-on project experience and university-level academic recognition. Proven leadership through digital coordination roles and strong adaptability in collaborative environments.

SKILLS

Programming Languages: Java, JavaScript

Web Technologies: Bootstrap, Node.js, Express.js, MongoDB, React.js

Tools & Platforms: GitHub, VS Code

PROJECTS

Travel Booking Website

Tech Stack: React.js, Node.js, Express.js, MongoDB

Developed and deployed a full-stack travel booking platform with responsive UI, backend business logic, database management, and live deployment. Focused on end-to-end application workflow, REST API integration, and real-world system design.

MargAI – Personal AI Study Companion

Tech Stack: React.js, Node.js, Express.js, MongoDB, APIs

Built a MERN-stack AI-powered study assistant featuring real-time responses, scalable backend architecture, and seamless API communication. Emphasized system design, backend scalability, and AI-driven application workflows.

EDUCATION

Bachelors of Technology-Computer Science

08/2023 – 07/2027

Seth Jai Parkash Mukand Lal Institute of Engineering and Technology Aggregate CGPA
(till Semester 4): 8.48 / 10

Intermediate

03/2022 – 02/2023

D.A.V. Public School

Percentage: 91.6

Matriculation

03/2020 – 02/2021

D.A.V. Public School Percentage: 93.33

EXTRA-CURRICULAR ACTIVITIES & ACHIEVEMENTS

Academic Achievement – Kurukshetra University

Secured Second Position in Academics at Kurukshetra University among students from numerous affiliated colleges. This achievement reflects consistent academic excellence, strong analytical skills, and a disciplined approach to learning.

Digital & Videography Coordinator, College Cultural Fest

Coordinated digital promotion and videography for the college's main cultural fest, creating promotional content and managing digital outreach with a technical team.

Co-Convener, Personality Development Club

Took an active leadership role in planning and organizing events such as Zest Day and Professional Fiesta, contributing through fine arts decoration, event logistics, and team coordination.
